

Best Practices – 2023-24

Best Practice 1:

1. Title of the Practice:

Community Development and Awareness Services.

2. Goal:

To create awareness regarding education, Cleanliness and hygiene. To develop the surrounding community in which the institute is situated. To provide expertise of the highly educated persons of the institute to the community. To use the physical energy and intelligence of the College students for the benefit of the community. To make students aware of their constitutional Rights and responsibility towards community. To improve the hygienic and educational mentality of the rural and tribal area.

3. The Context:

The College is located in rural backward and hilly area of Aurangabad district of Maharashtra. Most of the population are below poverty line and belongs to tribal and Muslim Minority with educational, economically backward and superstitious group. They lack the knowledge of importance of cleanliness and education. Majority of the students coming to college are ignorant of their Rights and Duties as a citizen of India. Hence it was need of the day to make the students aware of their Rights and Duties towards the community first and then develop the community with the help of these students. The villages and the towns surrounding the institution lacks proper hygienic conditions in day to day life. Most of the families involved in Agricultural farming and are poorly literate or illiterate. The Economic condition is also mostly poor. Hence, the idea to develop the community and make them aware of their living condition took place. Since the establishment of the institution. So that the surrounding community can understand the need of the hour and develop themselves and their surroundings.

4. The Practice:

Special Camp: One week NSS Special Camp with theme “Youth Obsession: Village Town Development” was organized on 09-01-2024 to 15-01-2024.

Regular Programmes: In academic year 2023-24 various community development and awareness programmes were conducted through NSS such as Tree Plantation, Guest Lectures on Women

Empowerment, Competitive Exam Guidance and College Sensitization, Swachta Abhyan on Historical Places in the region etc. National & International days were celebrated by NSS Volunteers such as International Yoga Day, Youth Day etc.

5. Evidence of Success:

Resource persons were invited and lectures were arranged on National and International days. Students were given oath on voter's day & Samvidhan Diwas.

The result of success indicates that there is hope for betterment if we work sincerely towards any goal.

6. Problems Encountered And Resources Required:

To deal with the educationally and economically weaker section is itself a great task. Convincing the Panchayats for the work to be carried out in their village is in the beginning time consuming. Later conveying the people of the village for accepting the help and support of the College volunteers in developing their surrounding and creating awareness is a problem. Facing the adverse conditions such as lack of electricity, proper shelter water etc., for 7 days of village life and still carrying out the objectives successfully. Financial support provided by the University is limited, it's needed to be increased. Poor transportation facilities to reach out to the villages situated in remote areas. Poor hygienic conditions of the surrounding where the volunteers stay for one or seven days.

7. Notes:

Community needs to be well aware and understanding them only it will provide you the favorable surrounding for promotion and development of education. If the community is healthy in all respect then only the works of spreading providing education in healthy atmosphere impossible.

Best Practices 1 – Community Development and Awareness Services
Programme List – 2023-24

| Sr. No. | Name of the Activity | Organizing unit/ agency/ collaborating agency | Name of the scheme | Date of the activity | Number of Participants |
|---------|---|---|----------------------|----------------------|------------------------|
| 01. | Yoga Day | N.S.S Unit | Regular One Day Camp | 21/06/2023 | 45 |
| 02. | Rajshri Shahu Mahraj Jayanti | N.S.S Unit | Regular One Day Camp | 26/06/2023 | 40 |
| 03. | Van Mahostav Tree Plantation | N.S.S Unit | Regular One Day Camp | 07/07/2023 | 47 |
| 04. | Tree Plantation | N.S.S Unit | Regular One Day Camp | 22/07/2023 | 48 |
| 05. | Annabhau Sathe Jayanti & Lokmanya Tilak Death Anniversary | N.S.S Unit | Regular One Day Camp | 01/08/2023 | 44 |
| 06. | Annual Planning Meeting of N.S.S. | N.S.S Unit | Regular One Day Camp | 01/08/2023 | 10 |
| 07. | Panch Pran Pledge | N.S.S Unit | Regular One Day Camp | 10/08/2023 | 40 |
| 08. | Nagar Palika Visit (Rally) | N.S.S Unit | Regular One Day Camp | 11/08/2023 | 39 |
| 09. | Pledge Meri Mati Mera Desh | N.S.S Unit | Regular One Day Camp | 12/08/2023 | 26 |
| 10. | Tree Plantation | N.S.S Unit | Regular One Day Camp | 14/08/2023 | 36 |
| 11. | University Foundation Day, Inauguration of Computer set of N.S.S by Principal | N.S.S Unit | Regular One Day Camp | 23/08/2023 | 34 |
| 12. | Swachhta in College Campus on "Gandhi Jyanti" | N.S.S Unit | Swachh Bharat | 01/10/2023 | 41 |

CHISHTIYA COLLEGE OF ARTS, SCIENCE & COMMERCE

MINORITY INSTITUTION- NAAC ACCREDITED B +

LOKMAT TIMES

News in Brief
KHULDABAD

Chishtiya College NSS camp concludes

A week-long National Service Scheme (NSS) camp of Chishtiya College, which was packed with social activities, concluded at Sulibhanjan near here on Monday.

The camp was held during January 9 and 15 at the hill station. Dr Rajesh Karpe was the chief guest of the valedictory function, while Dr Abdul Muji presided over. Dr Vishwanath Kokar, Suresh Markad, Ejaz Ahmed, Mohamad Aslam and Shafiyuddin Shaikh were present on the dais at the valediction. Series of social programmes including tree plantation, a village cleanliness campaign, a health check-up, voting awareness and a new voter survey of Sulibhanjan village- were undertaken during the camp. A demonstration of the Electronic Voting Machine (EVM) was given to the brick kiln workers at their kiln. Along with this, resource persons guided the volunteers on women empowerment, career guidance, child marriage awareness, health and environmental awareness.

Dr Karpe, the college principal Dr Qadri Syeda Arshia, administrative officer Abu Mohammad and Abed Jagirdar shared their views. Dr Sunil Jadhav anchored the programme while Dr Afroza Khatoun proposed a vote of thanks. Dr Ejaz Shaikh, Dr Asaram Pawar, Dr Iqbal Majaz Syed, Dr Hari Jamale and others were present.

National Voters Day:

Best Practice 2

1. Title of the Practice:

Green Club for Natural Resources and Water Conservation.

2. Goal:

To promote environmental awareness and action.

- To Educate students on waste management and how to reuse waste materials.
- To promote water conservation and organize activities such as rain water harvesting.
- To organize tree plantation programs for Green Environment.
- To organize awareness programs such as quizzes, essay competition, rallies or nukkad natak.
- To organize clean-up drives in collaboration with surroundings, schools and other organizations.
- Hold an Environmental Awareness Day to Educate the student body about green issues.
- Arrange visits to the schools by outside organizations to give workshop, talks and other activities, organize field trips to local wet lands, zoos or nature reserves.

3. The Context:

The purpose of the Green Club is to create awareness and sensitivity among students towards environmental issues and their connected problems. Govt. of Maharashtra initiated the project of UNICEF by making "Green Club" mandatory for Higher Education Institutes of Maharashtra in the year 2023-24. Hence our institute also established a Green Club in the month of August-2023 by appointing Dr. Shaikh Shaista as Faculty Co-ordinator and constituted a Green Club involving students from all the categories to achieve the goals of the club. Khuldabad, the town is having limited sources of water and scarcity of rainfall makes the existence of Green Club a necessity and essential part of everyday life.

4. The Practice:

Green Club conducted and organised the below mentioned activities for sake of Environmental Awareness and Water Conservation during the academic year 2023-24.

1. Green Club Co-ordinator One day (GCFC) workshop attended at Devgiri College, Aurangabad on 12-08-2023.
2. Collection of Waste (Nirmalya) from local place: during the period of Ganesh Chaturthi visited on Ganesh mandals at Khuldabad the message was given to eliminate the pollution and create compost from it on 29-09-2023.
3. (Group Discussion) Water literacy and its importance to the students guided by Green Club Faculty Co-ordinator in Chishtiya College of Arts, Science and Commerce at Khuldabad on 13-10-2023.
4. (Webinar) Green Skills for Youth: A MYCA Webinar attended GCFC on 20-01-2024.
5. National Youth Day: on the occasion Green Club students prepare wall paper on the theme "Save Water and Save Environment" (Poster Presentation) on 12-01-2024.
6. Quiz- Awareness of Waste Disposal: Why Waste Activity (YEWS) Youth Engagement & Water Stewardship Package), 100 students participated in Why Waste Quiz on 20-12-2023.
7. Refresher training on YEWS program Green Club and Why Waste application (Online) every week on Tuesday and Thursday from December-2023 till February-2024 was practiced.
8. Jal Sawardhan Mohim (Webinar) (GCFC) "Save Water Conservation" with Mrs. Sonali Kulkarni-UNICEF Maharashtra and Young Volunteers on Water Conservation attended on 03-02-2024.
9. Green Club youth participated workshop " Nurturing Workshop-YEWS at Devgiri College, Aurangabad on 08-02-2024.
10. 24th Maharashtra Youth for Climate Action (MYCA) Green Skill Webinar on 10-02-2024.
11. Green Club Youth Students Special Training session for students organized on 24-02-2024.
12. Skit Performance: Students representatives of the Green Club performed a drama on the topic "Water Conservation" on 27-02-2024.
13. Wall paper making competition: was organised on the theme "Water Conservation" on 27-02-2024.

14. Online Course on Climate Action by Maharashtra Youth for Climate Action (MYCA) Youth attended on 25-02-2024.
15. Tree plantation in College campus, Nemat School and Maulana Azad Junior College Khuldabad was organized.
16. College level (Campus) Water-Audit was conducted on 13-03-2024.

5. Evidence of Success:

The activities performed and efforts taken by the Green Club all through the year resulted in the formation of Compost Fertilizer with the help and collected waste material of household kitchens, Ganesh Mandals and College gardens. The Composts fertilizer is used for the college garden plants.

Green Club also planted and distributed plants in the neighbouring schools where there was scarcity of plants, making them aware of the green benefits.

The Club also audited the usage of water at the campus and the condition of water storage tanks, taps and other related things. Then the club presented a detailed report of the water management to the authorities and which suggested preventing the wastage being carried out at the campus. Accordingly authorities implemented the suggestions of the Green Club.

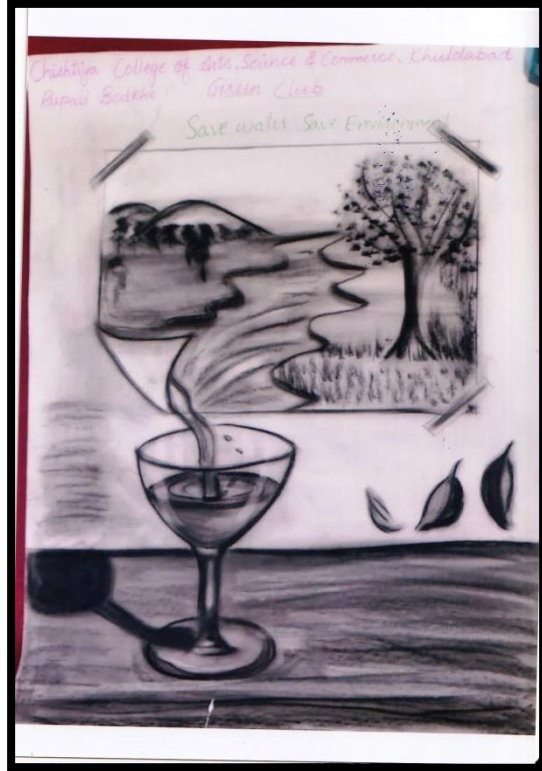

6. Problems Encountered and Resources Required:

Green Club being a new venture with the government, and society encountered initial problems to convince them about the participation of every sector of the society, lack of financial support from the government to the activities of Green Club also demotivates the volunteers. To motivate students and youths for this universal cause, initiative such as certificate of appreciation or additional marks/ credits should be credited to their marks memo.

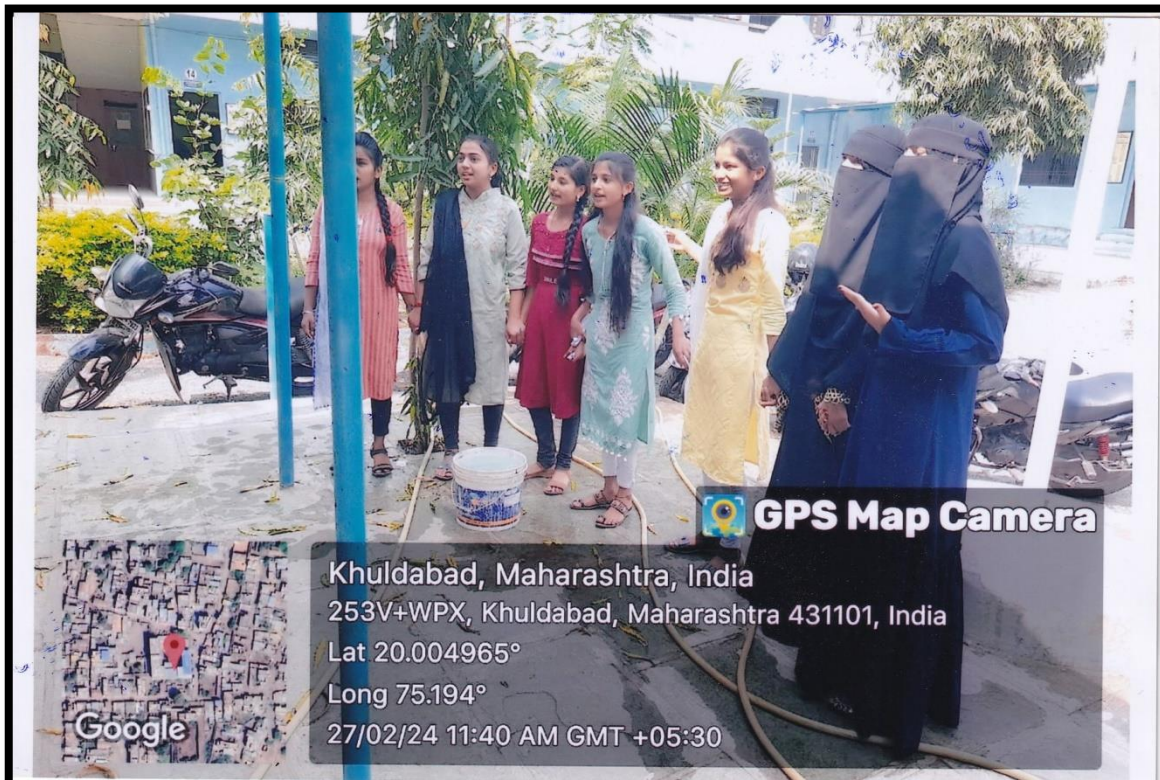

7. Notes:

If the society is healthy in all respect then the development of the society leads in the right direction. Woman makes the half of the population, thus needs to be paid attention in all respect. Her health comes on top of the list for a better and happy family and society.
